

Richard Zicarelli

Coordinator for Engineering Manufacturing Center (EMC)

OU 118
(305)348-6557
zicarell@fiu.edu

Office Hours

Monday-Friday 9.00 AM - 5.00 pm

Richard Zicarelli has been with FIU since the Fall of 2005. He is the Coordinator for FIU's Engineering Manufacturing Center and also the Lab Instructor of the Manufacturing Processes course EIN3390L. He has a background of 30+ years as a manufacturing professional and computer network specialist in both the Aerospace and Mold making Industries. He has taught in vocational schools and also continues to serve as a consultant to Industries and schools throughout the South Florida area. He provides professional consultations and project assistance to FIU's Research and Academic departments, students and the community. Mr. Zicarelli is dedicated to the future and success of all students and FIU.
