

September 6, 2022

Mr. Hector Mayorga
Florida International University
hmayo007@fiu.edu

Dear Mr. Mayorga,

CONGRATULATIONS on a job well done!

You are a recipient of the 2022 Florida Section of the American Water Works Association (FSAWWA) Roy Likins Scholarship. For your successful academic achievements, determination, and involvement in drinking water industry-related technical activities, you have proven to be a student that the FSAWWA recognizes and encourages as you continue your educational efforts.

The competition for the scholarship was impressive. Your selection is an outstanding personal achievement.

The FSAWWA will send the scholarship check of **\$3,000.00** to the university listed on your application for tuition, fees, or books and treat it as a scholarship of additional funds.

To further your knowledge of the drinking water industry, the FSAWWA will provide a one-year free student membership in the American Water Works Association, the leading authority in the drinking water profession.

We will send you an email invitation by November to let you know how to participate in the awards ceremony. The ceremony is on **Wednesday, November 30**, at the 2022 FSAWWA Fall Conference at the Hyatt Regency Grand Cypress in Orlando.

Sincerely yours,

Cristina Ortega-Castineiras
FSAWWA Likins Scholarship Committee Chair
